Thank you so much for the updated information. When you get to the point of appointing to fill the spot that Angus resigned from, let me know so I can add that person.

As far as the signed Certificates of Election, I do not need the original OR a copy. I usually recommend that the district keeps the originals and the person can get a copy if they want one.

Have a great day!
Stefanie

Thought I should give you an update on Unity Community Hall board members. Angus Hooper resigned as of 7/18/2023.
As of 7/28/2023, new members signed their Certificates of Election. I gave them their copies, do you need the original or a copy?

So Hall board members are Patti-Lee Bennett, Eddie June Greenwood, Amanda Vansickle and Daniel Davis.
I think we are now up to date.
